SELSEY CAMERA CLUB

A GUIDE TO LEAGUE COMPETITIONS

THE IDEA:

The idea of having two leagues is it gives ALL members a much fairer chance to succeed in competitions.

HOW?

There will be two leagues:
 1) 'Advanced' and….

2) 'Intermediate'

 Therefore, each individual member will compete in a league that is best suited for them; this will give them a good chance to be in the top three

You will enter a print competition AND a PDI competition in each round (i.e.2 Prints and 2 PDIs in each round)

WHICH TO ENTER?

Current Members: Initially, current members will be put in the appropriate league judging by their performance in past competitions

New Members: Committee members, through chat and evidence of work, will assess new members and will discuss and decide which league is best for them

ARE THERE THEMES?

NO…All league competitions are OPEN (any Genre)
Both leagues will have a PDI competition and a PRINT competition
You can enter both Colour and Mono in each Round

HOW MANY ROUNDS ARE THERE? :

There are FOUR rounds, with the scores added up after each round….

This makes for an exciting season, as positions in league tables often change. The winners will be those members who have accumulated the most marks at the end of the season. There will be two winners in each of the leagues; one for PDI and one for For Prints

So, at the end of the season FOUR trophies will be awarded –

1. Winner of PDI League (Advanced)   [Turner Peninsular Trophy]

2. Winner of Print League (Advanced)   [Selsey CC Trophy]

3. Winner of PDI League (Intermediate) [Barbers Trophy]

4. Winner of Print League (Intermediate) [Eileen SavilleTrophy]

EXAMPLE:

o An example of a league table, after just 3 rounds, is shown on attached page with email. Because it is filled in for 3 out of the 4 rounds then the Column for round 4 is currently blank

o As you can see, it is very close for top 3 and this could all change in the final round; always some suspense with a league, which adds to the excitement – Will Mickey Mouse hold on, or will Donald Duck come up trumps in the last round?

o Dates entered are hypothetical, not dates we are actually using; these will be published in the season's programme
